Total Company Commitment - solutions that exceed customer expectations and industry performance standards

consolidation

get more with your single source...

Consolidate your product categories with us and experience the benefits of the "JMF Proposition". Our sales and management team work closely with each customer to decide how we can maximize our value with "consolidation solutions". Benefits include...

- superior inventory management support
- most efficient ordering process
- elimination of freight expense
- customized pricing and programs uniquely matched to customer needs to maximize customer profitability
- EDI capable

manufacturing

delivering quality and performance...

- the broadest selection of line set products: ductless, plain end, fully assembled and custom line sets
- the first major manufacturer to offer fully assembled line sets and ductless mini-split products
- total commitment to exceed industry standards in innovative products, certified quality and timely delivery
- shortest lead times, 100% fill rates and the leader in product quality and customer satisfaction

jmfcompany.com

our website is the best in the industry...

Our website offers ultimate efficiency and a user friendly web interface. Customers have access to ordering information 24/7 with interactive price sheets and detailed product information.

Tools contained within our interactive website allow customers to propose product categories, pricing and solutions for us to review and approve. While visiting our website you will also find...

- Continuously updated price sheets that confirm industry list prices
- Sales Model "Profiles" and "Price Menus" to structure pricing programs
- Request for Quote Buttons that are easy to access throughout the site
- Daily Comex Report requested and widely used by customers

vip program

added value for preferred customers...

Our VIP Program is the perfect way to get introduced to JMF and learn how we deliver customer driven solutions. Register for VIP Membership at jmfcompany.com/vip. Program benefits include...

- monthly promotions detailing compelling offers and solutions
- advanced email notifications of industry list price changes that allow our customers time to react accordingly
- priority order processing resulting in expedited shipping
- relevant industry news and product announcements

JMF Company

provides solutions...

- by increasing fill rates, improving inventory turns, reducing stock levels and strengthening ordering efficiency through category consolidation.
- with customer specific vendor programs that offer a wide selection of certified, quality products that match customer defined requirements.
- with our commitment to exceptional customer service from experts who work diligently to maximize our overall value to our customers.
